- A Parking Permit is required to park any vehicle on the MHS campus.
- The \$10.00 Permit Fee (\$15.00 for Senior Reserved parking) must accompany all Parking Permit applications.
- A student Parking Permit allows students to park in student parking lots only.
- Parking Permits must be affixed and visible in the upper drivers side of the windshield
- Parking Permits can be revoked by administration for cause including but not limited to the following: unauthorized or unsafe use of vehicle by applicant or other person; leaving the school building during school hours without authorization (authorization can only be made by administration); parking in areas outside student parking lots.
- When a Parking Permit is revoked, the student is not permitted to park on school property. After a period of time set by the administration and a pattern of positive performance re-established the student may apply for another Parking Permit and must pay another Permit Fee of \$10.00.
- Parking Permits are for the applicant only and not transferable to other vehicles not listed on this application.
- NOTE:  
  - Vehicles parked on neighboring private property may be towed at owner’s expense.
  - Failure to adhere to these regulations may result in towing at owner’s expense.
