

## 2023 Community Report is Here!

As part of our commitment to continuous improvement in the area of communication, we are pleased to share the 2022-2023 Community Report.

The Community Report highlights many of the wonderful things happening in our district, those things that make the Molalla River School District a great place for students to learn and grow. Our goal with the Community Report is to give us all the opportunity to look back on our accomplishments with pride and come together to celebrate the vital members of our school community— our students, our families, our staff.
