April 16, 2021

Dear MRSD Families,

Each day we have celebrated that our students are back in our classrooms with a clear path in place to finish the school year strong. We have many cherished milestones and events to look forward to as we close out this year.

We have also begun envisioning next school year and building plans for all of our schools and each of our students as they return to the 2021-22 school year following this very difficult period of time for everyone. Please know that our plans for the 2021-2022 school year are based on the premise that all students will be able to learn in-person in our classrooms every school day beginning in September!

In the meantime, we've also been making plans for a robust set of summer opportunities for all students and families to choose if they wish. You will find information later in this week's communication about this, and we are hopeful that many of our students will take advantage of these enriching summer activities that will be taught/led by our district staff and other community partners.

In the coming weeks, we look forward to sharing more of our plans and our 2021-22 budget with the school board and community.

Sincerely,

A handwritten signature in black ink that reads "Tony Mann". The signature is fluid and cursive, with the first name "Tony" and last name "Mann" clearly legible.

Tony Mann

Students Returning to MRSD for the 2021-22 School Year

During the 2020-21 school year, some MRSD students participated in online school offered outside of the district or transitioned to home schooling. If you withdrew your student from MRSD this school year and you intend to return to MRSD in the fall, we need to hear from you.

Please use our [online registration process](#) or contact your student's school and re-register them prior to the end of this school year. This will greatly assist us as we finalize scheduling and staffing decisions for next fall. Thank you!

Next Parent Chat Session- Tuesday, 4/20 at 6pm

Please join us for next Parent Chat Session on Tuesday, April 20th at 6pm. Click [here](#) for additional information for this virtual meeting.
