Student is positive for excludable symptoms

Isolate Student in Isolation space until parents arrive

Dismiss to Home

Dismiss to Home

Case or case contact is verified

Students with symptoms compatible with COVID-19 should see a physician for COVID-19 testing and must remain home 10 days and be free of fever for 24 hours (or vomiting and diarrhea 48 hours) without the use of fever reducing medications prior to returning to school.
 Student diagnosed with COVID-19 or who are a close contact of a case of COVID-19 must remain home for the duration of home isolation or quarantine assigned by public health. This is 10 days from the date of onset of illness for ill individuals and 14 days from the *last* exposure for non-ill contacts.
