
ISOLATION MEASURES

- Immediately separate students who have [screened](#) positive for symptoms meeting any [communicable disease illness exclusion criteria](#) to the designated isolation area.
 - Remain calm and practice measures to maintain student privacy, confidentiality and dignity to the highest extent feasible. Do not leave student unattended.
 - Use caution in using words like “isolation” and “exclusion” when interacting with students.
 - Student will be provided a facial mask (if they can safely wear one).
 - Staff should wear a facial mask and gloves and maintain physical distancing.
 - Staff must wash their hands upon entry and exit of the room or interaction between isolated students.
 - If more than one student is in an isolation space, appropriate distance or barriers and privacy must be maintained between students.
 - Ensure students are appropriately logged into Communicable Disease Surveillance Logs.
 - Reinforce appropriate exclusion action with parents (e.g. if student has fever they must remain home until 72 hours symptom free without use of anti-fever medications or 48 hours without vomiting and diarrhea, or/and until released by provider or LPHA)
-
